
Sailing Dinghies for sale

Posted by tonyelgar - 2010/03/04 21:30

The Sea Cadet Training Centre is trimming its fleet for the new season, with new boats coming in we need to make space so a couple are up for grabs.

Currently We have a Laser II in reasonable club racing condition, main jib ok and kite in pretty good nick, on trolley. Cover only just keeps the leaves out though.

Also an ISO dinghy on combi. Ok cover, good sails (v.good kite) Spare rudder blade. All ready to go.

Please get in touch with us at the centre or ring me on 07811250691 for prices and more details.
