
Be on the winning Boat for 2007 Regatta!

Anybody who did the Weymouth Regatta in 2006 will probably remember Minx, the GK24 that came down from Poole YC and won three bullets, two seconds and the class overall.

Chris Hawkes, her owner is coming again this year only because he loves the Weymouth vibe - nothing at all to do with all the silverware he picks up... honest!

He's after crew for races on Saturday and Sunday, ideally with some racing experience.

Please contact Stephen "Chuckles Too" on 07773 800 113 or mail webmaster@gk24.org and we'll get you in touch with Chris.

Come on... Taste the glory of victory!
